EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on July 6, 2006, Joseph Ragusa requested an extension of time for 1 MONTH(S) and authorized the Director to charge Deposit Account No. 50-2215 the required fee of \$120.00 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS

In claim 5, line 20, after "and a power supply unit," re-insert --and the scope unit includes--.

In claim 6, line 21, after "information on the image data," re-insert --and the scope unit includes--.

In claim 7, line 22, after "disposed in the scope unit," re-insert --and the scope unit includes--.

Art Unit: 3739

In claim 8, line 20-21, after “in the fixed unit” (line 20) re-insert in line 21, --and the scope unit includes--.

IN THE ABSTRACT

In lines 1-2, replace “of the present invention is here disclosed wherein” with --includes--.

2. The following is an examiner’s statement of reasons for allowance: Independent claims 4-9 are pending. Previous claims 5-9 were indicated as containing allowable subject matter and placed in independent form by the amendment filed June 15, 2006. Claim 4 was previously rejected only over Motoki et al. (US 2004/0133075). Applicant has filed a verified translation of the Japanese priority application which was filed on September 11, 2002. With the filing of this translation, Motoki et al. is no longer prior art and the rejection of claim 4 is hereby withdrawn. All other pending claims depend from either independent claim 4 or 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
